

Alumni Office

Nomination for SCNM Legacy Award

The SCNM Legacy Award recognizes an alumna or alumnus of SCNM who has made a major contribution the advancement and development of Naturopathic medicine. She/he is not only a health care provider, scientists and/or educator, but also an influential participant in the advancement of Naturopathic medicine. **Examples include political activity, research projects, financial contribution, social or volunteer activities, and active membership in national organizations or boards.** The result is excellence in these areas, bringing pride and distinction to SCNM as well as to Naturopathic medicine.
