Date Posted: 2 /18/2009

The Canadian College of Naturopathic Medicine (CCNM) JOB POSTING Position Title: Full-Time Clinic/Academic Faculty Available: May 4, 2009 Applicant Deadline: March 6, 2009 The Canadian College of Naturopathic Medicine (CCNM), established in 1978, is Canada's premier institute for education and research in naturopathic medicine and the graduates of its intensive four-year post-graduate medical program are recognized for regulation/licensure in all Canadian and most American jurisdictions in which naturopathic medicine is regulated. CCNM is a registered charity dependent upon tuition, research grants and donations for the fulfillment of its mission. The College occupies an attractive 4.3 acre campus situated at the Sheppard and Leslie subway stop, across from North York General Hospital. CCNM provides an attractive work environment for those who value good health and who enjoy working in a positive creative atmosphere. CCNM is also home to the Robert Schad Naturopathic Clinic, a dynamic teaching institution where senior clinicians and ND supervisors conduct more than 25,000 patient visits per year. In our continuous efforts to build and develop faculty resources, CCNM is currently recruiting for an enthusiastic professional for the position of Full Time ND Faculty. This position will be split between academics and clinic work. The ideal candidate for this position will possess strong teaching skills and a passion for clinical and academic education. In your clinical work you will provide naturopathic primary care to patients of CCNM teaching clinics and supervise naturopathic medical students during clinical training. The incumbent ensures that students achieve the clinical competencies outlined in the clinical curriculum. In your academic work you will be responsible for instructing in courses throughout the naturopathic medical program. It is expected that you will engage in professional leadership activities such as scholarly research or service to the profession and maintain a clinical practice outside of your institutional responsibilities. **QUALIFICATIONS:** · Minimum of three years clinical experience as a licensed Naturopathic Doctor or two years of residency completed at an accredited naturopathic institution. · Teaching experience in a clinical and academic setting. · Registered as an ND in the Province of Ontario. · Excellent written and oral communications skills. · Proven organization skills and ability to multi-task in a fast paced environment. · Ability to motivate and engage students. · Experience conducting research is an asset. To Apply: Submit your resume with a covering letter to: Human Resources Department Email: resume@ccnm.edu Fax: 416-498-3177 Website: www.ccnm.edu

Immuno Laboratories is looking for a Naturopathic Doctor Immuno Laboratories is the recognized leader for the consistently reliable and comprehensive food allergy tests today. For nearly three decades, Immuno Laboratories has been helping healthcare practitioners and their patients seek relief from chronic conditions through a complementary approach to diagnosing and treating disease. This highly evolved testing – used regularly worldwide, reveals that many health problems are likely to be caused by the body's reaction to foods that may be poisonous to the immune system. Since 1978, our ongoing research shows a 95% probability that people eat one or more foods toxic to their system. Fortunately, there is an answer! By utilizing a sophisticated process called an Immuno 1 Bloodprint, we thoroughly analyze 115 different food antigens to pinpoint the source of discomfort and suffering. In this exciting and challenging position you will: Counsel our clients to determine and recommend nutritional needs and diet restrictions, such as may be appropriate based on client test results provided by Immuno Labs. Counsel clients and their families in nutritional principles, dietary plans, food selection, and preparation and the appropriate use of supplements/vitamins. Follow up with clients in regard to their progress with their symptoms. Assist our employees at seminars, conventions and shows, to increase sales and foster better understanding of the products we offer. This is contract position - you can work anywhere in the United States! Please email your CV/resume, coverletter and salary requirements to jobs@immunolabs.com

Naturopathic Physician Position at Cancer Treatment Centers of America, Goodyear, AZ 85338 Cancer Treatment Centers of America (CTCA) at Western Regional Medical Center, Goodyear, AZ, the newest CTCA facility, is looking for a well-qualified Naturopathic Physician to join our team within the Department of Naturopathic Medicine. Graduation from a CNME-accredited Naturopathic program and Arizona licensure as a Naturopathic Physician is required. Five years or more experience is preferred. Oncology experience is preferred, however not required, and hospital-based integrative medicine experience is a plus. Newly hired staff will undergo an extensive training period which includes didactic presentations, case discussions, rotation with oncologists, observation, and mentorship. Candidate's ability and willingness to practice evidence-based medicine in a team-oriented, integrative medicine setting is a must. Cancer Treatment Centers of America offers cutting-edge oncology treatment, including fractionated-dose chemotherapy, regional hyperthermia, comprehensive surgical interventions, intensity-modulated radiation therapy, tomotherapy and high dose rate brachytherapy. These therapies are offered in combination with intensive nutritional intervention, naturopathic medicine (including dietary supplements, botanical medicine, and homeopathy), mind-body medicine, acupuncture, exercise and movement therapy, and spiritual support. CTCA offers a comprehensive benefits package including a stakeholder bonus plan, medical, dental, and vision insurance, flexible spending accounts, and more. Opportunities for challenge and growth abound, and most importantly, a commitment to the values which are so important to our patients —hopefulness, compassion, and empowerment. If you're ready to join a team of like minded professionals in an innovative oncology environment, please apply online at www.cancercenter.com and with CV to Shauna Birdsall, ND, FABNO, Director of Naturopathic Medicine, through LaDonna Liles, Professional Recruiter at ladonna.liles@ctca-hope.com. Naturopaths International Clinic Headquarters in Flagstaff, AZ is looking for a few NDs Naturopaths International Clinics (NIC) Headquarters, Flagstaff, AZ , (www.naturopathsinternational.org) is looking for a few good docs to help build the practice at the headquarters' clinic. NIC's aim is to provide and promote emotional, mental and physical healing for those afflicted by trauma, such as from domestic violence or natural disasters. Currently the practice is based out of Flagstaff, AZ but there are rotations in the local domestic violence shelters. Also associated with the clinic is a naturopathic medical care program with the Saathi Women's shelters in Kathmandu, Nepal. This clinic opened in March, 2008, and already has a strong local patient base of over 100 patients .There is a growing interest in Naturopathy in Flagstaff, AZ. As a staff physician, you would be taking over the founder's patient base during her absences, as well as creating your own base and marketing the clinic's concept in Flagstaff and surrounding communities. This would be a 70-30 fee split in YOUR favor with a negotiated cap. In time, the practice would offer you, too, the opportunities for international work. Life moves a bit slower in Flagstaff than in the Phoenix Valley but if you are patient and persistent, you will prevail. If you have an interest in non-profit, humanitarian and/or international work, then we need you! If you are at all interested in this type of work, contact Dr. Gowey at doctorb@naturopathsinternational.org or call 928-214-8793

Join our Healing Arts Team in Battle Ground, WA 98604 We are a well established and successful team of NDs and L Acs in Battle Ground, WA , just a half an hour north of Portland, OR, who are seeking 1 or 2 practitioners to round out our practice. We currently offer general family practice services, so we are particularly interested in incorporating "niche" practitioners who offer specialized health services within our group such as: · Home Births, · Counseling and Psychotherapy, · Dermatology · Anti-aging · Oncology Supportive services · OTHERS. You can choose either a shared or private office in our homey office and decide to be full or part time practitioner. We are located in an ideal location on Main Street and have a 20 year presence within the community. For more information please write Dr Jillian Stansbury at jstansbury@ncnm.edu or call our office manager Diana at 360 687-4492. We look forward to hearing from you!!!
